REQUIREMENTS FOR OBTAINING THE ACADEMIC DEGREE OF CONSECUTIVE MBA IN UNIVERSITÉ LAVAL

THE FACULTÉ DES SCIENCES DE L-ADMINISTRATION OF UNIVERSITÉ LAVAL QUEBEC – CANADA

Specific agreement for a consecutive MBA Degree Program between CENTRUM PUCP Business School and the Faculté Des Sciences of the Administration of Université Laval.

Graduate students of CENTRUM PUCP from different Masters Programs can access the program to obtain the degree of Consecutive MBA and complete their studies at the Université Laval in a period less than usually required.

Admission requirements:
For graduate students from CENTRUM PUCP MBA Management Programs in their modalities: Virtual, Maden, Part-time, and Full-time.
Admission is subject to the approval of the Academic Council of CENTRUM PUCP. Candidates must be presented to the Laval University office after being evaluated according to their academic performance and professional experience.

The approval of the CENTRUM PUCP Academic Council will not be sufficient for admission to the Consecutive MBA Program since acceptance leaves the exclusive decision to the Université Laval.

The application process is as follows:

The names of the candidates for Université Laval will be presented to the Academic Direction of CENTRUM PUCP. Only candidates who have been approved by the Academic Council of CENTRUM PUCP may be given as candidates for the program at Université Laval.

The candidate must attach the following documents:

- Official translation of the grades of the baccalaureate degree obtained in high school (if possible).
- Official translation of the bachelor´s degree earned at the university, including a record of grades.

- Curriculum vitae in English.
- Copy of passport.
- Support for English language proficiency (IELTS or TOEFL exam grade, specific minimum grade is not requested, however, is ti evaluated by the Université Laval).
- Support for French language proficiency at the time of application or before the end of the program. The student must achieve a knowledge of the French language with a minimum score of 440 points of the “Test de Français International” before the end of the consecutive MBA Program. Obtaining the French language diploma is a mandatory requirement for theUniversity of Laval. Therefore, the school indicates

that if the student does not speak French, he must take French courses while studying his master's degree. The level you must reach to graduate is Intermediate I.

Academic Requirements:

• Candidates must complete 24 credits of a total of 45 credits (21 credits are granted to the entire courses of the MBA degree obtained at CENTRUM PUCP).
• Students must complete six credits through a company research project (these credits are part of the 24 credits required).

Registration and payment requirements:

• Students must pay the Université Laval the equivalent of 24 credits amounting to CAN 14,774.16 Canadian Dollars for the period 2020.

Other payments:

• Participants will assume additional costs not included, such as airfare, accommodation, health insurance, visa procedures, transfers, and others not specified in the program.
• For health insurance, international students are required to enroll in the joint health and hospitalization insurance offered by the institution.

Duration of the program:

Participants will take the classes scheduled in September for two consecutive cycles of 4 months each (12 credits per semester) as detailed below:

• From September to December (12 credits).
• From January to April (12 credits)

Graduation Requirements:

• Students of the Consecutive MBA program must complete and pass the 24 credits and courses to obtain the Master of Business Administration degree with a concentration in Global Business (MBA Global Business).
• Obtaining a French language diploma is a mandatory requirement to graduate from Laval University.

Maximum application date:

• Applicants must indicate their intention to apply and send all the requested requirements to the Placement Office of the Université Laval until February 1 of the year in which they wish to start the program. The master's degree begins in September 2020.
